

# Live Beautiful Nation Breast Cancer Grant Application Form

LiveBeautifulNation.org is a non-profit organization found by Nicole and Marc Sharma, founders of the small independent brands Nic Hyl Clothing and Nation Athletic. **Live Beautiful Nation** was founded because as Nicole battles her own journey with breast cancer, the Sharma's wanted to help other women, men and families too. **Live Beautiful Nation** is a way to help women, men and families battling breast cancer who need some financial assistance with groceries, co-pays, travel to and from chemo and the smaller help that often gets overlooked when dealing with an illness like cancer. Our goal is to allow the recipient to focus on getting better.

Funds are raised from a portion of the sales of eligible styles, from both of the brands (Nic Hyl Clothing & Nation Athletic), and donated to **LiveBeautifulNation.org**. Grant recipients are chosen at random and notified by the 7th of the each month, if funds are available from the previous months sales.

Funds are dispersed through either: Visa or American Express Gift Cards. *Recipients are only selected once per 12 month period to allow us to help as many people as possible. We aim to award as many recipients as possible per month. Award amounts can vary, based on amount of awarded applicants and funds for any given month.*

*This is a new grant program as of October 2022. A list of past award recipients will be updated to [www.livebeautifulnation.org](http://www.livebeautifulnation.org) once it's available.*
